

# QOLT Work Group

Quality Online Learning & Teaching

with  
Canvas!

The Quality Online Learning & Teaching Work Group, or the QOLT Work Group, is an in-house certification program for Cañada faculty to learn how to teach online and/or hybrid courses. The QOLT Work Group was first offered in the Summer of 2017 and will be offered three times each year--once during the Fall, Spring and Summer semesters. The course is offered 100% online and the objectives of the QOLT Work Group are outlined below.

At the completion of the QOLT Work Group, participants will be able to:

1. Design an accessible online or hybrid course in Canvas while applying the [OEI Course Design Rubric](#).
2. Assess new or existing course materials for accessibility and revise as needed.
3. Construct a course that meets the needs of online or hybrid students, specifically in the area of Regular Effective Contact.

## Are you interested in the next QOLT Work Group offering?

- For more information, please contact Allison Hughes ([hughesa@smccd.edu](mailto:hughesa@smccd.edu)) and Lezlee Ware ([warel@smccd.edu](mailto:warel@smccd.edu)).
- Fill out the [QOLT Work Group Participant Sign Up Form](#) to be included in the next QOLT Work Group offering.
