A first-person perspective shot of a rock climber. The climber's hand is visible in the lower-left foreground, holding a yellow webbing strap. A multi-colored rope (green, blue, and red) is attached to the strap and extends across the dark, textured rock face towards a climber in the distance. The climber is positioned on a high, flat-topped ridge. The background shows a vast, open landscape under a clear sky.

CHALLENGE

A grand, multi-level library with high ceilings, ornate arches, and rows of bookshelves filled with books. The word "QUESTIONS" is overlaid in large white letters. The library features a central spiral staircase and a balcony with a decorative railing. The ceiling is painted with a floral pattern, and the walls are adorned with intricate designs. The lighting is warm and focused on the bookshelves.
