**SW Funds can be used as long as they can be targeted to meet key SW metrics*

Ideas - through a career lens

1. Advertising: Update Website, Flyers, Targeted ads, Regional industry summit
2. Conferences: SW Funding can be used to attend career related/Industry conferences
3. Dual Enrollment: Courses can be taught at our feeder high schools
4. Update Curriculum: Time and support can be given for faculty to explore new ways to embed career curriculum into courses
5. Program Development: New certificate, and 2-year degree programs can be created to meet local employer needs
6. Apprenticeships: We can register with the Department of Apprenticeship Standards and bridge our program with two or three employers who can higher our students
7. An industry related career fair can be created
8. New Equipment can be purchases with the support of SW funds
9. Industry related grants can be written with the support from the college
10. Alumni- Connect with old students.
11. Program specific information sessions. Agenda: how much time needed studying, degree/cert which can be obtained, jobs after they complete, space for Q&A
12. Career workshops - awareness (example make a small bag), speakers, panels, field trips/ job shadow, internship, apprenticeships.
13. Project based learning - increase levels of hands on.
