**Subject: New Degrees—AS-T Degrees in Biology and Nutrition and Dietetics**

---

### **A Description of the Proposed Change**

Cañada College is notifying ACCJC of state approval of two Associate Degree for Transfer in Biology and Nutrition and Dietetics. These degrees were developed from curriculum that already exists at the College.

### **The Need for the Change**

The Transfer degrees were developed in response to SB 1440 and was approved by the State Chancellor's office in 2015.

### **The Anticipated Effects**

The Associate Degrees for Transfer are to meet the state-mandated requirements from SB 1440 and is expected to smooth the transfer of community college students to the CSU system.
