 Subject: Fall 2014 Enrollment Update: 2 of 3  
 Date: Thursday, September 04, 2014 7:34:32 AM

Colleagues, this is the second of the three enrollment updates for this term. The dates for the three updates are: the End of the First Day of Classes ([August 18](#)), the Last Day to Add/Drop ([August 29](#)) and the Official Census Day ([September 8](#)). The Board of Trustees receives formal reports from my office on the data from the Official Census Day. Please note there is a two-week delay in certifying the Official Census Day data.

*Special Notice: To make our productivity reports more accurate, effective fall 2010, contract courses (attendance method = OC) are excluded from Enrollment, FTES, WSCH, Load and Sections. Data from all prior terms still include these courses, however, the impact of this change is expected to be small. Starting fall 2011, we have added "internet" to reflect distance education enrollments. Definitions for distance education courses can be found at: <http://www.smccd.edu/degateway/faculty/resources.shtml>*

For this report, Course Enrollments, FTES, and Load are based on DESR-history files. Select 201008 Census Day and then select either Census Enrollment or FTES & WSCH or Section & Load.

For Concurrent Enrollment, please use data in Student Type as identified in the DESR-Official Census Report, not data in Educational Level per ITS/[DSSWAG](#).

Note: Change refers to the difference in percentages from a comparable day a year ago.

\*FTES: Full Time Equivalent Student. It is point in time and will change as the semester progresses.

\*\*Load: Teaching Load is taken as the ratio of WSCH to FTE. It is point in time and will change as the semester progresses.

\*\*\*WSCH. Weekly Student Contact Hours

\*\*\*\*FTE: The Full-Time Equivalent faculty count is determined by a set of rules provided to each college at the time the data are requested. Generally, the figures are the decimal fraction of the teaching hours or units (whichever is standard at a given college) ascribed to the faculty member for teaching work done. Non-teaching time is specifically excluded so that it does not affect the value of the data. Work done by non-certificated personnel is not included.

Thanks should go to ITS for their work on developing and reporting real-time enrollment and Yanely Pulido for her help in this update.
