Planning Unit: Physics

Unit Manager: Lead Faculty, Astronomy and Physics

Objective: 151 - Equipment, technology and facilities requests for Physics

Objective Description:

Use this objective to request supplies, equipment, technology or facilities improvements. To request equipment, Edit the "Purchase equipment" Action Plan and click the "Request Resources" button to enter the details of your equipment request. Be sure to indicate whether additional space will be needed to accommodate the requested equipment, or whether it will require maintenance agreements and or support personnel. Facilities requests may be for changes to custodial services, maintenance, remodeling, or new construction. Create a new Action Plan for each facilities request. In the description/justification be sure to indicate whether the request is for ADA or safety-related concerns.

Start Date: 2/28/2016	Task Type: Resource Request	Priority Level: Medium	Task Order: 1
Due Date:	Completion Date:	Task Status: In Progress	Budget: \$14,122

Purchase instructional equipment and/or technology to enhance student learning and success. More specifically, complete the augmentation/replacement of the physics equipment with the ultimate objective of having enough equipment that the students will be able to work in teams of two or three and all of the equipment will be in good working order.
